

To all flow cytometry enthusiasts!

The Norwegian Society for Flow Cytometry (NFCF) has the pleasure of inviting you to the Nordic Flow Cytometry Meeting 2022.

The Norwegian Society for Flow Cytometry (NFCF), together with the Danish and Swedish Societies for Flow Cytometry, are organizing a joint Nordic flow cytometry meeting at X Meeting Point (www.xmeetingpoint.no), Oslo, Norway.

Basic Flow Cytometry Course

Wednesday, February the 9th Place: X Meeting Point, Oslo, Norway.

The course will be held by the very talented and experienced lecturers, Mikkel S. and Charlotte C. Petersen, (University of Aarhus) and Morten Löbner from Becton-Dickinson. This course was a great success at the Oslo meeting in 2014 with 80 participants and over 60 participants at the Bergen meeting in 2016. Please download the course schedule at www.flowcytometri.no/oslo-2022/. The target group is users with basic experience in flow cytometry who wish to further their understanding of this ever-expanding field. The course will be held in English.

Credits for course attendance (1 ECTS)

The Faculty of Mathematics and Natural Sciences, University of Oslo (UIO) will provide one credit for course attendance as long as the student participant holds a seminar / presentation about the course for his/her supervisor.

The Faculty of Medicine at the University of Oslo (UIO), The Norwegian University of Science and Technology (NTNU) and The University of Bergen (UiB); participation in research courses without credit standards may be approved upon application, for calculation of credits.

Nordic Flow Cytometry meeting

Thursday, February the 10th and Friday, February the 11th, Place: X Meeting Point, Oslo.

We have set up a versatile program with some of the best speakers in the field of flow cytometry (please download the tentative program at www.flowcytometri.no/oslo-2022/). The meeting will be useful for both new and experienced flow cytometry users.

It is possible to attend the meeting only, but it is hoped that many participants will have the opportunity to attend both the course and the Nordic meeting.

Submit abstract and bring poster (2 ECTS)

Submit an abstract (before 14.01.22 to h.c.aass@medisin.uio.no) and bring a poster to the conference. You will have time to discuss your poster with other meeting participants at the scheduled poster session.

A poster at an international conference is eligible for 2 ECTS at all Norwegian universities (students must apply to their respective faculties for these credits).

Course and Meeting Fees

Flow cytometry Course and Meeting participation, February 9th-11th: 6000 NOK (early bird registration before October 1st and late registration NOK 7 000).

Includes course and meeting fees, all meals (Wednesday-Friday), coffee, fruit or cakes during all breaks, wifi, free parking by registration in meeting center or at the Moxy Hotel (remember your license plate number) and 2 nights' accommodation (single room).

Meeting participation, 10th-11th of February: 3400 NOK (early bird registration before October 1 and late registration NOK 4 000).

Includes meeting fee, all meals (Thursday-Friday), coffee, fruit or cakes during all breaks, wifi, free parking by registration in meeting center or at the Moxy Hotel (remember your license plate number) and 1 night accommodation (single room).

Shared hotel room option:

It is possible to share a double room with another meeting participant. There is a limited number of rooms with 2 single beds. To share a room, sequential registration of the two participants is required. The price of registration will be reduced according to the number of nights booked.

We hope that this meeting will be educational and fun with the opportunity to establish good contacts and share common experiences.

Follow us on our website www.flowcytometri.no for more information and registration.
